Everglades Moon Local council is an affiliation of covens and solitary members of the Covenant of the Goddess (CoG - <http://www.cog.org>) who live in Florida. Local councils serve as a way to provide a local presence for the organization and a way to facilitate community networking amongst Wiccans & Witches.

Founded in 2002, EMLC's mission is to represent and expand the presence of the Covenant of the Goddess in the state of Florida, provide a sense of community, and encourage communication between the various groups and individuals of our religion. Learn more about us at <http://www.emlc.net>
